

Outdoor Programme with Adventure Aberdeen

Outdoor learning is an important part of our curriculum and we are delighted to be working closely with Adventure Aberdeen to enhance the opportunities we can offer our pupils. This year we are extending our programme to include a full day of activities for Primary 4. As well as offering our pupils the chance to try out new skills and activities, the programme also greatly increases independence, resilience, confidence, team work and life-long skills. Many pupils say the experiences are highlights of their time at our school.

Sally Duthie from Adventure Aberdeen will be in school on Wednesday 13th December at 6.00 pm to give a short talk about our programme. Please come along to find out more. This will be a very similar presentation from last year and attendance is optional.

We will collect the money in installments. All families receiving Free School Meals will not be charged. If the cost for any other families is a barrier to going, please contact Mrs Watson to discuss.

P4 – 7 Information Session with Sally Duthie from Adventure Aberdeen
