

All speech bubbles have links to films created by the school

Sharing our curriculum

Awe and Wonder Day

Priorities and Aims

Are priorities based on the school's needs? Are priorities for improvement achievable and realistic? Are there clear expectations and enough time /

From China to Aberdeen - Macbeth!

Ethos

Is everyone in your school community valued and involved? Is school a happy and safe place for all to be?

Creativity

Is creativity celebrated and nurtured? Does your school recognise creative approaches to teaching and learning?

Policy and Legislation

**Four Capacities
Four Contexts**

**Principles
Curriculum Design**

**Es and Os
Benchmarks**

**The
Learner**

Staff working together to plan and lead science carousels across 2nd Level

Efficiency

Is paperwork purposeful and streamlined? What is the best use of teachers / schools / pupils resources, time and skills?

Collaboration and Partnership

Could involvement of external agencies / families / fellow staff or pupils enhance experiences

Collaborative Peace Prayer

Pupils leading outdoor maths

Leadership

Does everyone have an opportunity to exercise leadership - to build experience, skills, confidence and a sense of empowerment? Is everyone's contribution valued? Is there trust and respect within the staff team?

Values

Is there a shared understanding of what is important in your school? Has there been an inclusive approach for establishing and embedding these values? Are individual needs considered?

The BIG ideas

Everyone means - every stakeholder in the school community - learners, parents, teachers, external agencies, the local and wider community
